

CHATEAU DE MERCUÈS

Visits & tastings

With his subterranean wine storehouses and his 40 hectare of wich 3 hectare of Chenin, the castle of Mercuès is a member of «Great wines Lords» and establishes an inescapable leg on the wine trail of Cahors.

This exceptional place opens you its doors to taste its great wines Malbec.

Visits & tastings :

The visit takes place in the cellar of wine making where born every vintage wine of the Castle with always more care, the control and emotion.

The visit continues in the wine storehouse ageing where the wisely aligned barrels operate in a unique alchemy and where spin suggestive scents.

Then we shall end with a tasting of our vintage wines in this place of exception.

Visits by reservation for groups only.
